Completion Reports:

Submitted: 20

Outstanding: 14 - in process of chasing these

Total Value of EOIs

submitted: £217,192.11

Total £ request in Full

Applications: £82,792.39

Total Funds Disbursed to

Date: £82,619.64

Following Feedback from IET and IECBS Board:

- Strengthening Communities application form and review forms updated
- Assessment of target areas undertaken - outcome was that no change was necessary
- Building a feed programme for posts on social media, highlighting options available in the Community Benefit Fund and seeking new applications from relevant individuals/groups
- Review advertising of Community Benefit Fund and any potential options for Funding Stream - Developing Renewable Energies
